CK: Hello everyone. Welcome to Cooking with Cookie. I'm your host, Cookie. Today we are using vegetables and fruits. So much fun. First, we are going to cut the vegetables ...

T: How often do you watch this?

PM: Oh, never, but I like it.

CK: And then I'll pick up the food

T: I like it, too

PM: How often do you watch it?

T: Sometimes I watch it.

CK: Mix this with the vegetable. It might taste good. Believe me.

PM: It's a cooking show. I can see that

S: Oh hey guys, what are you doing? drawing?

PM: Urr Hi Sean. No, we're not drawing. We're watching TV.

T: It's a cooking show.

PM: He can see that.

S: Well, I think that's enough TV for today. I think you two should be drawing. I thought you were going to draw a wizard today.

T: Pencilman told me if you draw a wizard, he'll come to life.

PM: I never said that.

T: Sometimes you say that,

PM: Never

T: Sometimes

PM: Not often.

T: Usually

S: Ok, enough. Now be nice

PM: Well, all I really said was one day I was wondering what to draw. Sometimes it's fun to draw a ball.

T: But that's kind of boring.

PM: I always wanted to draw a magic man. What happened next, he never heard. When I drew a wizard. Sometimes we draw a wizard, he'll come to life. Never have you seen such a sight? Often you will ask yourself how did that happen? You sometimes, never, always wonder why. These days whenever I'm wondering what to draw. I draw a star, a square, a ball.

T: But it's kind of boring.

PM: Whatever I do I never draw a magic man. Listen to me like you never heard, never draw a wizard. Sometimes when I draw a wizard, he'll come to life. Never have you seen such a sight? Often you will ask yourself how did that happen? You sometimes, never, always wonder

T: But never, never, never, never wonder

PM: You sometimes, often, always, never, wonder why.

T: So do you want to draw a wizard?

PM: Sure

T: Sean, there it is... a wizard.

S: Oh see, the wizard didn't come to life.

WT: Ha?

S: Who are you?

WT: Me? I'm Walter the wizard. And who are you?

S: Well, I'm Sean. And this is Pencilman and Tim

PM&T:Hello

WT: A talking pencil. Amazing.

S: Yes, well, how did you get here?

WT: I don't know. The last thing I remember I was changing the color of the sea
Today I'm going to change the color of the sea.
Here's my first color. Uhh what color is that?
Oh yes, that color is yellow.
Here's my second color.
My, my.. What color is that?
Oh of course. That color is red.
Now I'll do my third color.
Uh oh, what color could that be?
Oh yes, that color is green.
Here's my fourth color.
Oh my favorite color
What color's that?

It's pink. Opps better changes it back to blue
Next thing I knew, I was here.

PM: You mean you can do magic

WT: Oh sure. Sometimes I just change things to flowers

PM: Wow

WT: Often I will turn myself invisible

S: Ohh where did he go? Where's Walter? Walter? Where's he?

WT: Here I am. And everyday I brush my teeth because I like a nice bright smile.

S: Oh Well, we're really glad to meet you. We've never met a real wizard before.

WT: Hey, what day is today?

S: Today is Tuesday.

WT: Tuesday? Oh dear.

T: What's the matter, Walter?

WT: Well, if today is Tuesday, then tomorrow is Wednesday. That means the day after that is Thursday. And Thursday is my birthday.

S: It is? Wow. That's nice.

PM: But why do you look so sad?

WT: I'm not sad really. I just miss my brother Jack. Here's a picture of my brother.
I haven't seen him in a long time. And I'll be all alone on my birthday

S: Well, you can spend your birthday with us. Yeah, we'll all celebrate your birthday with you.

WT: Really, oh that would be very nice. Thank you. Well, I'd better be going for today
Nice to meet all of you.

S: Hey guys, we'll give Walter a great birthday

PM: What should we get him for a present?

S: Oh yeah, what do you get a wizard for his birthday? He's magic ...

T: Something nice and home made like a cake

S: That's a good idea Tim. I'll make Walter a birthday cake

PM: Do you know how to make a cake?

S: No, but how hard could it be?

PM: Well, while he's doing that, let's ...

T: Go watch the cartoons

FR: Umm Frog,

I: Yes, Frog. Now, do you always wear that hat?

FR: Usually ... usually I don't wear a hat. Now I am wearing it

I.: Right, and how often do you swim?

FR: Swim?

FR: Oh, I swim every day. I like to swim.

I.: No, that's not it. Dog, how often do you swim?

D: uh uh ...um um...I sometimes swim.

I.: You sometimes swim.

D: Sometimes, yes

I: Thank you. Good boy. Who's a good boy? Who's a good doggie? Who's a good doggie? I just want to

C: I know, I know. I just have some questions.

I: Do you always interrupt?

C: Oh yes, usually

I: How often do you swim?

C: How often do I swim? Right, I never swim, never

I: Then why are your paws wet?

C: My paws? Yes, that's a good question. They are wet, aren't they? Well, the thing is...

F: His paws are wet because I always swim. That's why his paws are wet.

And now back to our story

S: OhI'm making a cake, making a cake. Oh what am I doing? I don't know how to make a cake.

PM: Umm. Sean. Why is it green?

S: I don't know. It shouldn't be green, should it?

T: Oh, what did you put in there? It tastes like an old sock

S: Well, a little old sock, yeah. Doh! what am I going to do?
I need to make a good cake

I've got a little problem. The thing is I'm always hungry. I like to eat. Do you like to eat? Yeah? Oh, yeah me too. But sometimes I forget what it is that I like to eat. So maybe you kids would help me. For instance, this thing, what is it? An apple, ah yeah yeah, that's right. It's an apple. Do I like to eat apples? I do. That's right. I do. First I'll eat this apple. No, still hungry. I need to find more food. Hey, what is this? Bread. Do I like to eat bread? Yes, I do like to eat bread. Here goes. No, still hungry. Let's see. First, I ate an apple. Then I ate some bread. Now I'll eat

some cabbage. I do like cabbage, don't I? Yes, I do like to eat cabbage. Still hungry. Let's see. Do I eat noodles? No, I don't eat any noodles? Do I drink Coke? No, I don't drink any Coke. Why don't I drink Coke? Because it makes me go like this? Urrrr ...urrr

And now, back to our story ...

PM: Yeah, then we'll sing him a song

S: Hmm no. second , we'll drink some orange juice

T: Orange juice, then we sing him a song?

S: No, no song. Third, we'll give him his birthday cake

T: Then a song..

PM: Cake. I love cake. Where did it come from?

S: I made the birthday cake

PM: Oh, I don't want any birthday cake.

S: Ok Pencilman. Now draw Walter so he'll appear. Then we'll all yell "Surprise!"

Pencilman! Now where did he go?

T: He was on the desk.

S: Well, he isn't now

WT: He's not under the cake.

WT: Yes, he is a wizard. My brother Jack is a wizard just like me.

PM: Well then, stay right there

WT: Jack! Yeah.

J: Hello Walter. I was just thinking about you. Happy birthday

WT: Thank you

J: Good good. But I was up in my home in the mountain. And now I am here. Why did that happen?

S: Why did that happen? I'll tell you why that happened. Because ...

All: Sometimes when you draw a wizard. He'll come to life. Never have you seen such a sight? Often you will ask yourself how did that happen. You sometimes, never, always wonder why.
