Song: La la la la la la la la la ...

There's a Pencil I know and he talks to me,
and he goes wherever I go.

Let's go to English funhouse, English Funhouse,
that's where I want to go.

La la la la la la la la la ...

Now we're friends, all the drawings we make
And he brought along Tim who erases the mistakes.

La la la la la la la la la ...

We're going to go visit Pencilman So let's get on with the show.

Let's go to English funhouse, English Funhouse, that's where I want to go.

PM: Oh therer's a pencil I know and talk to me and he goes wherever I go.
I really stand out in a crowd, don't I. Hey I think I'll do some drawing.

There, that's pretty good

Hey Tim!

Hey Tim!

Come see the picture I drew

Hey Tim

T: Oh
Did you say something?

PM: Oh you're up. Hey as long as you're up come see the picture I drew Tim, come on.

T: Oh the mountains, that's pretty Pencilman. Did you know I could play the piano?

PM: It's not just the mountains; these are the mountains we are going to, when we go on vacation

T: Oh we're going on vacation? Yeah

PM. & T: We're going on vacation, we're going on vacation

S: Pencilman, Tim

PM: Oh you're awake. Hi Sean

S: Do you know what time it is?

PM: Ummmmm.. No.

S: It's quarter past six, in the morning

T: Did you know I can play the piano?

PM: Sorry Sean we're just happy, because we are going on vacation

S: Who's going on vacation?

PM: We are. All of us, Remember? We're going to the mountains

S: Now wait a minute Pencilman. That's not until the fall. In the fall we are going to the mountains

PM: In the fall well when is that?

T: Look, I'm playing right now. Can anyone see this?

S: Look Pencilman, let me explain it to you like this
There are four seasons first there is winter and it's all cold outside

PM: Winter

S: Then comes spring and all the flowers come to life

FL: Hi

S: Oh

T: Spring

S: Next comes summer. Oh
And it's hot and we like to go swimming

PM: Summer

S: After that comes fall,
Oh
and it starts to get a little cooler

T: Fall

S: And before you know it, it's winter again

PM: Ok so when do we go to the mountains

S: In October which is in the fall

PM: I don't get it

T: I do!

PM: Oh terrific, the eraser gets it

S: Pencilman it's easy. Now look, this is a calendar.
Watch this.
You see, in every year there are twelve months; January, February,
March, April, May, June, July, August, September, October,
November, and December
How can I remember all those months?
Well hit it Tim

T: Hit what

S: I thought you said you could play the piano

T: Oh, yeah

Song: If you want to remember the months of the year,
Just sit right there and lend an ear
Then you'll get to play along
You'll know the months when you sing this song
January, February, March, April, May, June, July, and August, ,
In the summer we like to play
September and October all the leaves fall to the ground
November and December that's how the year goes around
Let's go around again
January, February, March, April, May, June, July, and August,
In the summer we like to play
September and October All the leaves fall to the ground
November and December that's how the year goes around
You see, Pencilman, here's the month we are in now. What is this
month?

T: Um
April

S: That's right.
And we go to the mountains in this month

T: October

S: That's right Tim
And how many months away is that? Let's count them
1 2 3 4 5 6
6 months

PM: 6 months away, I don't want to wait that long
Look I'm ready to go right now. I wish it were October right now

S: Time is a good thing, PENCILMAN. Never wish time away
Oh no, it's half past six, I've got to go get dressed. We have a lot to
do today.
